...and to celebrate the one no longer classified as a planet

Pluto: Belgian-style Golden Strong Ale,
aged in French oak Chardonnay barrels with Brettanomyces

Midnight Sun Brewing is fusing the art of brewing with rocket science. Wanna space out?

MARS
BELGIAN-STYLE IMPERIAL RED IPA

DRY HOPPED WITH STINGOE
LOGISTICS LOG:
designed to represent the Red Planet—a Red Imperial India Pale Ale—using wrathful American hops and Belgian yeast. primary fermentation and aging occurred in stainless vessel, controlled conditioning achieved during secondary fermentation in bottle and cask.

no other data available at this time.

EARTH
BELGIAN-STYLE CHOCOLATE MILK STOUT

LOGISTICS LOG:
incorporated the rich earthy flavors of dark malted barley, cocoa nibs + powder, and Belgian yeast. increased creaminess with lush lactose. fermented + aged in stainless steel vessel, conditioned in bottle + cask.

much more research required.

MERCURY
BELGIAN-STYLE SMALL BEER

LOGISTICS LOG:
designed to represent the small planet with a small beer created from second runnings of VENUS, spiced with Indian coriander to represent the traveler. primary fermentation + aging occurred in stainless steel vessel, conditioning achieved with secondary fermentation in bottle + cask.

additional data minute.
