About the beer...

Vicious and viscous, this warrior ale lives up to its name and more, beginning with the pour—thick and opaque with a maduro-colored head. Its aroma offers bourbon, dark fruit, lavish tobacco and alcohol. Intense, complex, dark roasted malts invade your taste buds with in-your-face flavor. But the malt melds with molasses and maple syrup to create a brawny brew of fortitude and character. Aged in bourbon oak barrels, Berserker Imperial Stout is potent, purposeful and, yeah, a bit out-of-control. Give it a good fight.
