About the beer...

The days are long but the season is short. So what gives? Sleep! After doing more before midnight than most Outsiders do in a week, Alaskans deserve some down time. And these moments of relaxation demand more than that ordinary, non-distinct lawn mower beer. Celebrate a day well done with a beer done well—a seriously delicious IPA with scorchin' hops.

Our new seasonal double IPA is designed to keep you incredibly hopped up spring through summer.

Sit back and sip down some Meltdown Double IPA while you bask in the afterglow of another amazing day.
